SPREAD THE WINE

QUINTA DE ARCOSSÓ

QTª DE ARCOSSÓ

RESERVA | RED

REGION
Trás-os-Montes, Vidago, sub-region Ribeira de Oura

VINEYARD
Quinta de Arcossó. A parcel of 10,5ha, from a total of 12ha, located in a South-facing hillside at 375 m of altitude. Granitic soil.

CLIMATE
Transitional between Atlantic maritime temperate and Continental. The mountains between the Minho region and Trás-os-Montes serve as a climatic barrier and lessen rainfall closer to the interior. Winters can be cold and summers very hot

GRAPE VARIETIES
Touriga Nacional (35%); Touriga Franca (35%); Tinta Amarela (15%) e Tinta Roriz (15%)

VINIFICATION
Grapes were harvested in the end of September and vinificated in lagar with foot-treading. Stage of 14 months in French and American oak. Usually bottled 20 months after harvest, and stays in our cellars for at least 18 months before being launched into the market.

WINE ANALYSES
Alcohol: 14% vol
Total Acidity: 5,5g/dm3
PH: 3,7

TASTING NOTES
Deep red. Mature fruity well balanced with wood. Full-bodied, dry and clean tannins. Good mouth, persistent with a fruity, fresh finish.

GASTRONOMY & SERVICE
Roasted pork loin, alheira, chouriço, smoked meat, hard cheeses.
The wine was not filtered and must be decanted. Serve at 15-17ºC.

PRODUCTION
10 000 bottles
